BOYS ATHLETE OF THE YEAR

ABOUT THE AWARD

Versatility, excellence and dominance over competitors are just a few of the qualities that the athlete selected as Boys Athlete of the Year must have. They have racked up the accolades, dazzled fans and performed at the highest level. These game changers pushed themselves, and in doing so, have raised the bar for all.

GIRLS ATHLETE OF THE YEAR

ABOUT THE AWARD

The athletes selected as nominees for the Girls Athlete of the Year are all part of a movement to redefine competition in their sport. These young ladies are paving the way, defying limits and setting an example for future competitors in their field. COACH OF THE YEAR

ABOUT THE AWARD

Great coaches empower athletes and pave paths to success for their teams. High school coaches also teach work ethic, preparation and dedication. They build teams that understand the importance of working together to achieve goals and persevere through difficult times. The Coach of the Year Award honors these efforts in a coach who has guided his or her team to those wins, both on and off the field.

COURAGE AWARD

ABOUT THE AWARD

Courage is demonstrated in the most challenging moments of life. When an individual takes the path less traveled, often defying the odds, they amaze those watching from the sidelines with their strength and tenacity. The Courage Award shines the spotlight on an athlete who has faced great adversity or hardship, on or off the field, and was able to rise above it and inspire us all.

SCHOOL SPIRIT AWARD

ABOUT THE AWARD

Some stadiums just have that buzz. That extra excitement generated by the fans can help give the players on the field that extra push. The School Spirit Award, voted on by the community, recognizes a program that always shows up to support its athletes.
